

X10

The professional machine for hot and cold brew specialty coffees – versatile, robust and reliable

Benefits

- Cold Brew specialties at the touch of a button
- A variety of specialties to suit every taste
- Robust and refined
- Modern payment methods supported

Recommended accessories

- Glass Cup Warmer
- Cool Control 1.0l
- Cool Control 2.5l
- Bean container extension
- Fresh Water Kit X line
- Coffee grounds disposal / drip drain set

Areas of use

- Self-service
- Offices
- Cafeteria
- Catering

Recommended maximum daily output 100 cups

The X10 sets new standards, bringing variety and freshness. Quite literally, because its repertoire includes an impressive 35 specialty coffees, nine of which are cold extracted. The fully automatic cold extraction process is a special feature of the X10 and brings refreshing Cold Brews to the professional sector. The X10's versatility also extends to longer specialties using more water, such as americano and lungo, or two of each simultaneously. Thanks to the One Touch Lungo function, it also prepares these specialties at the touch of a button. In addition to the wide variety of beverages, the P.A.G.2⁺ grinder and functions of the professional automatic machine are also impressive. The X10 is easy to operate thanks to the color display and physical buttons, making it appropriately accessible. The X10 is the ideal size for use in offices, self-service areas or catering businesses with a daily demand of 100 preparations.

X10

Technical overview

Specific advantages

Number of specialties	35
Cold Extraction Process	■
Intelligent preheating	■
3D brewing technology	■
Active bean monitoring	■
Automatic switchover from milk to milk foam	■
WiFi connection to home network	■

JURA coffee machine standards

Pulse Extraction Process (P.E.P.®)	■
One-Touch Lungo function	■
One-Touch function	■
Variable brewing unit	5 – 16 g
Grinder	P.A.G.2 ⁺
High-performance pump, 15 bar	1
Thermoblock heating system	1
Fluid systems	1
Milk system/interchangeable milk spout	HP3/CX2

Operating and programming standards

Compatible with Payment Connect	■
Compatible with MDB Connect	■
Display	3.5" color display with buttons
Programmable and individually adjustable amount of water	■
Programmable and individually adjustable coffee strength	10 levels
Programmable amount of milk/milk foam	■
Programmable milk/milk foam temperature	2 levels
Programmable brewing temperature	2 levels
Programmable temperature of hot water	3 levels
Resettable day counter	■
Shows the number of preparations for each individual product	■

Hygiene standards

Intelligent Water System (I.W.S.)	■
